Board Member Election

Joy Ausman, Clearwater Paper Corporation

Joy is the Senior Health and Safety Manager at Clearwater Paper in Lewiston, ID. Joy's career began with Potlatch/Clearwater Paper in 1994 with the Engineering and Modernization Department in Cloquet, Minnesota. Joy has held various roles in safety, health, industrial hygiene and environmental management within all facets of the company to include the tree nursery and plantation program, logging and forestry operations, engineering and construction, lumber, wood panels, fine paper, pulp, paperboard and tissue operations. She holds degrees in both Occupational Health and Safety and Environmental Management. Joy is a former Marine and Army soldier and served in the Gulf War.

Board Member Election

Dick Jackson, International Paper

Dick was named International Paper's Director, Contractor Safety in June of 2017. He joined IP in 1979 and throughout his career has held a number of roles of increasing responsibility, including manager of Technical Services for the Container and Packaging division and mill manager for the former Roanoke Rapids, N.C. mill. In 2006, he became mill manager at the Androscoggin Mill in Jay, Maine, formerly owned by IP, and later became a reliability manager for Verso Papers. Dick re-joined the company in 2009 as operations manager at the Savannah Mill and then took over as Augusta GA Mill's mill manager in 2012. During his thirty eight year career, he has worked in eight different mills, IP's technology group, and the corporate office. Dick is a graduate of Georgia Tech.

Board Member Election

George Kolesar, CSP, Sonoco

George has 30 years of industrial safety experience. George is current the Division Safety Manager for Sonoco's North America Paper Mills. He is a Certified Safety Professional and has a BS Degree in Safety from Indiana University of Pennsylvania. In addition to his current position at Sonoco, he has held safety management positions with Owens Corning, Daimler Chrysler, Goulds Pumps, and Rubbermaid. He is currently a member of ASSE. George resides in Western Pennsylvania with his wife Rhonda and their four children.

Board Member Election

William (Bob) Coffey- Kapstone Paper

Bob has over 25 years' experience in the EHS field. In his Director role, he is tasked with preventing SIFs (Serious Injury and Fatalities) at Kapstone Paper. He holds the CSP (Certified Safety Professional) and CPEA (Certified Professional Environmental Auditor) designations. He has Bachelors Degrees in Chemistry and Psychology from SUNY Stony Brook. In addition to his current role at Kapstone Bob has held positions in chemical and heavy manufacturing industries. He was a Mill Safety and Security Manager for Glatfelter Paper directly before starting and operating a private consultant firm (WRC Safety and Risk) for 13 years. Bob lives in South Central Pennsylvania.
