Bringing the Industry Home Safe

PPSA Annual Awards

- Executive Eagle
- Distinguished Service Award
- Safety Leader of the Year (SLY)
- Industry Safety Committee/Team
- Safety Innovator Award
- **The Award of Safety Excellence**

The Award Safety Excellence

- This is the most prestigious award given for operating excellence.
- The award looks holistically at each nominee's safety program, record, and continued efforts to promote safety culture.
- There is no focus on OSHA Incident Rate.
- Three awards are given each year.

The Award Safety Excellence: Eligibility

The site/location nominated must be a PPSA member and submit the required nomination packet detailed by the prescribed deadline.

The Award Safety Excellence: Criteria

- Complete the simple nomination form.
- Include a narrative document explaining why this location should be chosen.
- Suggested items to include in your narrative are:
 - The Site's Safety program.
 - Staff/employee engagement programs.
 - Employee culture surveys (if applicable).
 - SIF program(s)
 - Leading indicators the site tracks
 - Contractor engagement

We Need Your Help!!

1. Apply for these awards and nominate deserving people and locations for them.
2. Let us know if there are awards that we should be offering that we are not currently offering.
3. Help us recognize your companies and your people for all of the excellent that you do to provide a safe and healthy working environment.

Thank You!!
