

March 13, 2020

We know that you, your families, and our members are all concerned about COVID-19 Coronavirus. **We certainly share your concerns.**

We encourage everyone to make responsible decisions to stay home if they are sick. We ask that those who have traveled abroad in the last 14 days to countries on the [CDC list](https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html) (<https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>), please refrain from attending in-person events as a courtesy to fellow members and guests.

PPSA is closely monitoring developments related to COVID-19 (coronavirus) on a global basis. Our top priority continues to be the health and safety of the attendees of our events. **Currently, all 2020 PPSA events are scheduled to proceed as planned.** As is the case with any external force that has a potential impact on our events, we are monitoring conditions closely and are prepared to address any significant changes. In the event a scheduling change is necessary, we will immediately post that information to our [website](#).
