How can you be a better safety practitioner?
1. Determine if there are special areas that need to be highlighted.

2. Develop a plan to follow to gain specific and general knowledge.

3. Identify your available resources.

4. Prioritize the items that are most urgent and schedule time to address them.

Wise Owl Eye Safety Recognition Program

What is the Wise Owl Program?

Each day, more than 2,000 workers suffer serious eye injuries, many of which are serious. Prevent Blindness America's Wise Owl Program is a safety education program designed to promote the widespread use of approved protective eyewear that meets ANSI Z87 industrial or ASTM sports standards. The program is ideal for industry and schools.

Prevent Blindness America has been at the forefront of workplace and industrial eye safety for over 50 years. In the history of the Wise Owl program, over 65,000 individuals have been recognized for having saved their sight by wearing approved protective eyewear. We want you to be a part of this exciting challenge.

Benefits of membership in the Wise Owl program include:

- Chapter Membership Certificate.
- Complimentary subscription to Prevent Blindness America News.
- Samples of Prevent Blindness America’s eye health and safety brochures.
- Reproducible fact sheets and a quiz on workplace eye safety.
- A 10% Chapter and Member discount on Prevent Blindness America’s eye health and safety educational brochures and videos.
- Individual membership application forms to enroll employees whose eyes were saved from injury by wearing appropriate protective eyewear.
- Eligibility for active Wise Owl Chapters to be nationally recognized for their outstanding commitment to eye safety at the 2006 Prevent Blindness America Annual Dinner and Awards Ceremony.
- Recognition of your Wise Owl Chapter membership on our national website.
