

# Empowering Excellence, Ensuring Safety and Bringing the Industry Home Safe: Pulp and Paper Safety Association

At the Pulp and Paper Safety Association (PPSA), we are committed to fostering a culture of excellence in Safety and Health within the fiber-based industry. The PPSA serves all fiber related operations including paper mills, corrugated, consumer products, paper converting and recycling plants, in addition to wood products and forestry operations.

## Our value proposition revolves around three core areas of focus:

### **EXPERTISE, LEADERSHIP, AND INNOVATION:**

We bring together industry experts, thought leaders, and professionals to provide unparalleled expertise in safety and health within the industry we serve. Stay ahead of the curve with access to the latest research, best practices, and innovations that enhance safety and health as well as ensuring the dissemination of information around regulatory compliance.

### **CUSTOMIZED SOLUTIONS AND EDUCATION:**

Recognizing the unique challenges of the fiber-based industry, we tailor our solutions to meet your specific needs. From comprehensive training programs, a web site containing information for our members, to the premier safety and health conference and exposition for the industry, our offerings are designed to enhance the performance of your organization, reduce incidents, bring visibility to cutting-edge vendor solutions, and create a safer working environment for everyone.

### **COLLABORATIVE COMMUNITY AND UNPARALLELED NETWORKING:**

Join an exciting diverse community of experienced safety professionals, leaders, vendors, contractors, and consultants dedicated to advancing safety and health standards in the industry. Benefit from industry focused networking opportunities, knowledge-sharing forums, and collaborative initiatives and awards that promote a commitment to excellence. Together, we can build a safer future for all fiber-based operations.
