Reports and Surveys

PPSA is dedicated to meeting the challenge of bringing every worker - at every location and every company - home safe.

The Human Element of Safety

Predicting and preventing serious incidents and injuries is a core value.

Awards and Recognition

PPSA is dedicated to fostering safety excellence as well as recognizing facilities who not only achieve but sustain high standards and results.

Industry Safety Committee/Team Award

This award honors a forestry, pulp, and paper industry safety committee/team that has made a significant contribution to safety & health at their location, company, or within the industry.

In order to receive this award, a committee/team must apply for it, be selected as a finalist by the PPSA awards committee and lastly receive the most votes by conference attendees at the PPSA safety conference.

The winning site will receive the Industry Safety Committee/Team Award trophy and be highlighted on the PPSA website and upcoming quarterly report.

Innovator Award

This award recognizes the spirit of employee engagement and our emphasis on continual improvement to develop better safety products and processes. This award goes to the one facility demonstrating the most innovative safety improvement product/process implemented between January of the previous year through April of the current year.

In order to receive this award, a facility must apply for it, be selected as a finalist by a PPSA conference committee and lastly receive the most votes by conference attendees at the PPSA annual safety conference.

The winning site will receive the PPSA Safety Innovator Award trophy and be highlighted on the PPSA website and upcoming quarterly report.
